PLAI-STRLC RESOLUTION NO. 2006-01

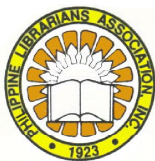

RESOLUTION CREATING PROVINCIAL CHAPTER TO FURTHER STRENGTHEN THE PLAI-STRLC FROM THE GRASSROOT LEVEL

WHEREAS, during the election of STRLC officers last August 16, 2005, the position of provincial coordinator was created as part of the officers during the 2nd STRLC General Assembly meeting held at Colegio de San Juan de Letran-Calamba which were witnessed by PLAI National officers supervising the election of the Region IV council;

WHEREAS, the named/elected provincial coordinator per province was envisioned to act as downward link of the council's (STRLC) activities, information, etc. to the individual librarians in the province and to be the upward link of individual librarians so that their concerns could be heard/deliberated in the council;

WHEREAS, the Cavite librarians who attended the 2nd STRLC General Assembly Meeting were inspired to re-organize the CLASS (Cavite Librarians Association) and immediately saw the revival of CLASS on November 2005. With the revival of CLASS, in cooperation with STRLC, sponsored a Summer Conference on Library Management in Changing Environment last May 2006 in Cavite;

WHEREAS, The President of CLASS suggested a proposition to the STRLC in a meeting held at TNL to create provincial chapters, which will accept non-registered librarians so as not to alienate them in the profession, and registered librarian can properly guide them. This initiative inspired some librarians from Quezon, which gave birth to the Quezon Librarians Association in September 8, 2006;
